

Friends of Adam's Camp

ONGOING SUPPORT OPPORTUNITIES - Through our Denver Office

1. Ambassador Program – Help us spread the word!

Man a booth at a fair: 3 - 6 hour commitment to staff a booth at a fair or event.

2. Office Assistant – Office support is a great way to help our small staff!

We can use volunteers throughout the year, Monday – Friday, between 9am – 5pm; helping us to do data entry, mailings, filing, photo archiving, preparing packets or doing research.

3. Fundraising Support – Serve on an event committee!

Events include our Family Event, Golf Tournament, Watermelon Run and more...

4. Service Projects – Engage your church or service group in a project to benefit camp!

Call Helga to see how your group can volunteer for Adam's Camp.

5. Board Committee Member – Join a board committee!

Our Board of Directors is a working board. Each board committee welcomes non-board members to join and work on projects related to fundraising, camper and therapist recruitment, program development, community relations, etc.

EARLY START Intensive Therapy Program - Metro Denver Sessions

Early Start is an intensive therapy program for children 1 to 4 years of age. One-on-one therapy sessions are held each day from 9am to 12noon, Monday – Friday. Each team has four children and is staffed by four pediatric therapists; physical, occupational, speech and music therapists; and one volunteer therapy assistant. Sessions are scheduled in spring and fall at various community locations in the Metro Denver area.

1. Therapy Assistants assist therapy teams in many ways: they greet parents in the morning, set up and maintain therapy equipment and space, play with the children, take pictures for treatment documentation, prepare snacks and provide child care during parent/staff conferences.

Volunteer hours: Sunday 12noon – 5pm, set-up and baby-sitting during conference, Monday – Thursday, 8:30 am to 1 pm, and until 3pm on Friday.

2. Sibs & Kids Program Helpers assist the program coordinator with the care of the siblings of the campers and kids of the therapists. Together they are doing fun and age-appropriate activities.

Volunteer hours: vary depending on child care needs.

3. Sunday child care

On Sunday before camp, 3:45 – 5pm, volunteers provide child care to the campers and their siblings while parents meet with the therapists for their first conference.

4. Equipment Transport and Set-up

On the Sunday prior to camp, 12noon – 3:30pm, 8 - 10 volunteers are needed to load therapy equipment at the Adam's Camp office in Southeast Denver and travel to the Early Start site; unload and set up at the site. On Friday, 12noon – 3pm, 8 to 10 volunteers are needed to pack up and return all the therapy equipment to storage.

4. Breakfast and Snack Donations and Set-up

Each of the 5 days volunteers are needed to donate breakfast and snack items and set them up in the morning, 7:45 – 8:30am.
